1. General Information:

Contract has been terminated and end-users are requested to use STC 405S, E-10 Tankwagon (<http://www.doa.nc.gov/pandc/405S.pdf>) or solicit bids by their own agency's purchasing guidelines and procedures for obtaining the above referenced fuel.

Unleaded Gasoline is becoming increasing difficult to obtain at the terminals and many locations and service stations have converted their fuels over to E-10 due to Federal mandates.
